

## TOGETHER, WE CAN BEGIN THE PATH FORWARD.

**Cigna is here to help provide education and resources to advance the race dialogue.**

Recent events have placed a spotlight on systemic racism in American culture. Increasingly, experts are defining racism as a public health crisis where no one is immune. We have put together an online resource center with strategies for maintaining your well-being and ways to take action and build better understanding.

At Cigna, we value and celebrate diversity and inclusion. We are committed to advancing the conversation, and improving lives in the communities we serve. This process forward will require compassion for self and others.

**Together, all the way.®**
