

Saving for College

Presented by *Bright Horizons College Coach*®

February 16, 2022 | 3:00 p.m. ET | Live Webinar

The Right Way to Save Starts with a Strategy.

Are you worried about the saving-for-college struggle or have savings challenges created by recent economic uncertainty? Get expert guidance on creating your own savings strategy. Learn about helpful programs (including 529 & pre-paid), how to maximize contributions, and how to reach your savings goals. You'll also get tips on how to:

- Optimize your financial resources
- Minimize tax risk
- Create a plan that matches your needs

You can also schedule an expert guidance session.

Suggested for: Parents/guardians of newborns through 8th graders
