CLASS DESCRIPTIONS

BOOTCAMP	A combination of high-intensity cardiovascular and muscular conditioning exercises to provide you with the ultimate workout! Never the same class and great for all levels. Come unleash your inner athlete!
CHINESE DANCE	Led by professional Chinese dance instructor, Shasha, learn basic postures, moves, and turns to build a strong foundation in Chinese dance. *Payment required to take class. Register via MBO. *This class is taught in Mandarin
FULL BODY BLAST	A full body resistance training class using hand weights, bands, and body weight to enhance your balance, coordination & overall strength.
KETTLEBELL STRENGTH	Learn how to swing, press, pull, hinge, and squat to improve your strength using just kettlebells. All skill levels welcome
IMPACT	A group exercise + personal training hybridization, IMPACT follows a progressive program that will help reduce the risk of injury, improve muscular function, and increase cardio respiratory capacity. Join the class 2x, 3x, or 5x a week for a consistent workout routine. * Sign-up required. Limited to 5 participants per class
IMPACT PLUS	Everything you love about IMPACT, but extended! Get a full workout following the Exos Training System to improve mobility, strength, power, and Energy Systems Development (ESD). Join the class regularly for a consistent workout routine. First timers are always welcome! * Sign-up required. Limited to 5 participants per class
MORNING MOBILITY	Get your day started with some low-impact movement! Shake off the stiffness, increase your blood flow, and improve your active range of motion
OLYMPIC WEIGHTLIFTING	Learn the skill of performing the barbell snatch and the barbell clean and jerk movements. Workouts provided by the coach.
PILLAR STRENGTH	Your core is just the beginning. This 15-minute class targets your entire pillar — core, shoulders, and hips — through mobility, stability, and control work that builds strength from the inside out.
RECHARGE BREAK	These re-engineered versions of the classic 5-10 minute stretch break include holistic activities like visualization, breathwork, and flow state activities in addition to movement. These microbreaks are designed to get your brain & body ready
RUN CLUB	Join us for indoor (treadmill) and outdoor runs (RTP Trails) where you learn how to train different heart rate zones, perform interval runs, and train for races.
TOTAL BODY HIIT	Build strength and burn calories in this high-energy, total-body workout! This 55-minute HIIT class keeps you engaged with timed intervals of work and recovery. Using a mix of resistance equipment—such as dumbbells, resistance bands, kettlebells, slam balls, and bodyweight—you'll cycle through cardio bursts, strength challenges, and functional movements designed to improve daily energy and build lean muscle. Every class is structured to maximize results, improve endurance, and build strength, no matter your fitness level.
UNRAVEL	Improve range of motion in 15 minutes while learning techniques to improve posture, prevent injury, and reduce muscles soreness in this deep stretching class.
YOGA	The most widely practiced form of yoga in the world, Hatha Yoga uses postures (asana) and conscious breathing (Pranayama) in combination with mental focus to develop awareness, strength, flexibility, and relaxation.
