# CLASS DESCRIPTIONS

<b>BOOTCAMP</b>	A combination of high-intensity cardiovascular and muscular conditioning exercises to provide you with the ultimate workout! Never the same class and great for all levels. Come unleash your inner athlete!
<b>FULL BODY BLAST</b>	A full body resistance training class using hand weights, bands, and body weight to enhance your balance, coordination & overall strength.
<b>PILLAR STRENGTH</b>	Your core is just the beginning. This 15-minute class targets your entire pillar — core, shoulders, and hips — through mobility, stability, and control work that builds strength from the inside out.
<b>IMPACT</b>	A group exercise + personal training hybridization, IMPACT follows a progressive program that will help reduce the risk of injury, improve muscular function, and increase cardio respiratory capacity. Join the class 2x, 3x, or 5x a week for a consistent workout routine. <b>* Sign-up required. Limited to 5 participants per class</b>
<b>IMPACT PLUS</b>	Everything you love about IMPACT, but extended! Get a full workout following the Exos Training System to improve mobility, strength, power, and Energy Systems Development (ESD). Join the class regularly for a consistent workout routine. First timers are always welcome! <b>* Sign-up required. Limited to 5 participants per class</b>
<b>MORNING MOBILITY</b>	Get your day started with some low-impact movement! Shake off the stiffness, increase your blood flow, and improve your active range of motion
<b>OLYMPIC WEIGHTLIFTING</b>	Learn the skill of performing the barbell snatch and the barbell clean and jerk movements. Workouts provided by the coach.
<b>RECHARGE BREAK</b>	These re-engineered versions of the classic 5-10 minute stretch break include holistic activities like visualization, breathwork, and flow state activities in addition to movement. These microbreaks are designed to get your brain & body ready
<b>RUN CLUB</b>	Join us for indoor (treadmill) and outdoor runs (RTP Trails) where you learn how to train different heart rate zones, perform interval runs, and train for races.
<b>TOTAL CONDITIONING</b>	Power. Endurance. Total-body results. Push through high-intensity intervals, explosive movements, and full-body circuits that ignite your metabolism and build real endurance.
<b>UNRAVEL</b>	Improve range of motion in 15 minutes while learning techniques to improve posture, prevent injury, and reduce muscles soreness in this deep stretching class.
<b>YOGA</b>	The most widely practiced form of yoga in the world, Hatha Yoga uses postures (asana) and conscious breathing (Pranayama) in combination with mental focus to develop awareness, strength, flexibility, and relaxation.
